### Blyn-Shoe Style and Quality Style

In Footwear. By all means look for style in the shoes-then look beyond it for the

quality that insures endurance. However attractive the shoe may appear on display, it is the right quality of all its parts and the thoroughness of every detail of its construction that constitutes real shoe satis-

This necessary element of quality is apparent in our newest fashion styles as plainly as it was in the good old-fashioned shapes we made thirtyfive years ago.

All styles for men, women and children - Eight Big, Bright, Busy Blyn stores are filled with them.

We are also Sole New York Agents for the Noiseless Red We are also Sole New York Agents for the Noiseless Red Cross Shoes for Women.

Right away comfort is the distinguishing feature of these shoes. Red Cross patent sole tannage makes a medium weight sole, so flexible that it follows every natural movement of the foot.

Young women are particularly pleased to find shoes of comfort that retain every element of style.
